A Multi-Tiered System of Support

To guarantee a comprehensive approach to attendance, Killisick Junior School implements a Multi-Tiered System of Support. A Multi-Tiered System of Support (MTSS) for school attendance involves three tiers of intervention, with roles for teachers, the school, children, parents, and external agencies – including the Local Authority. Data-driven decision-making and training requirements are pivotal to the implementation of this system. The system aligns with the Department for Education's (DFE) "Working Together to Improve School Attendance" statutory paper 2024.

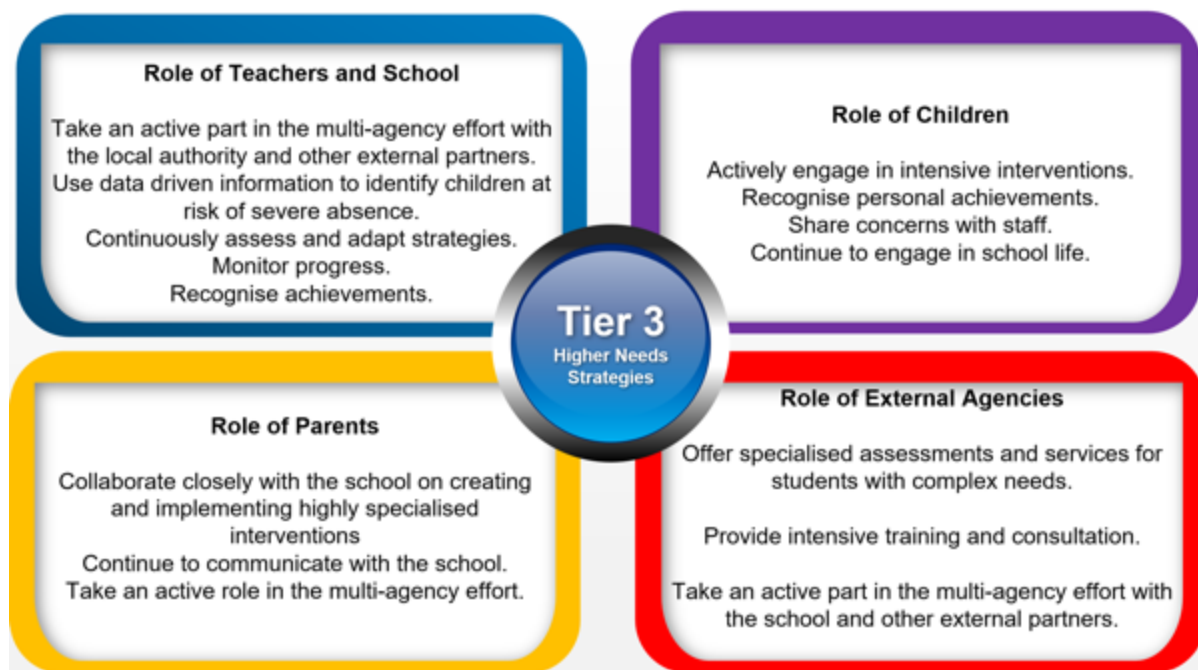

Tier 1 - Universal Approach: Establishing a baseline universal attendance approach that benefits all children.

Tier 2 – Internal individualised Strategies and Early Help Support: Tailoring strategies to individual needs and providing early help support for persistent attendance challenges.

Tier 3 - Higher Needs Strategies Support: Furnishing specialised support for children, young people, and families with complex attendance requirements, including access to external agency support when necessary.

Killisick Junior School's Recognition-Based Approach

Our attendance philosophy is rooted in a recognition-based approach that recognises both personal and collective achievements. This approach serves to thwart isolation, prevent victimisation, cultivate positive environments, nurture relationships, foster inclusivity, and ultimately cultivate intrinsic motivation among our children, families, and staff.

The Importance of School Attendance at Killisick Junior School

School attendance is not merely a requirement but a fundamental pillar of education. It plays a pivotal role in shaping academic success, personal growth, and future prospects, making it an indispensable aspect of any educational system. Regular attendance to school can have a significant impact on:

- *Academic Achievement:* Regular attendance directly correlates with academic success. Children who attend school consistently are more likely to keep up with the curriculum, perform better in exams, and improve their life outcomes.
- *Knowledge Acquisition:* School is where children acquire knowledge and skills that are crucial for their personal and professional growth. Missing days means missing out on valuable learning opportunities.
- *Social Development:* School provides a vital social environment for children and adolescents to interact with peers, develop friendships, and learn essential social skills. Consistent attendance ensures children remain connected to their peer group.

- ***Building Routine:*** School attendance establishes a structured routine in children's lives, teaching them time management and responsibility, which are valuable life skills.
- ***Teacher Interaction:*** Regular attendance allows for meaningful teacher-child interactions. Teachers can provide personalised support, address questions, and assess individual progress more effectively when children attend regularly.
- ***Preventing Knowledge Gaps:*** Frequent absences can lead to significant knowledge gaps, making it challenging for children to catch up with missed lessons, potentially resulting in long-term academic struggles.
- ***School Engagement:*** Children who attend school regularly are more likely to engage in extracurricular activities, sports, and other enriching experiences that contribute to their overall development.
- ***Legal and Parental Responsibility:*** Parents or guardians are legally responsible for ensuring their child's regular school attendance. Failing to do so can lead to legal consequences.
- ***Community Well-being:*** High levels of school attendance contribute to the overall well-being of communities.

Factors Influencing Attendance

There are many factors which can impact on a child attending school, if you have any concerns you should contact the school as soon as possible:

- ***Health Issues:*** Children may experience physical or mental health issues that lead to absences. Chronic illnesses, infections, and mental health conditions can impact a student's ability to attend school regularly.
- ***Family Circumstances:*** Family-related factors such as bereavement, family illness, or caring responsibilities can result in absences from school. In some cases, students may need to take time off to support their families.
- ***Bullying and Safety Concerns:*** Experiences of bullying, harassment, or safety concerns at school can deter students from attending. They may fear for their safety or well-being, leading to increased absenteeism.
- ***Socioeconomic Factors:*** Families facing financial difficulties may struggle to provide necessary resources for their children to attend school regularly. Issues such as lack of appropriate clothing, food, or a stable home environment can contribute to absenteeism.
- ***Special Educational Needs (SEN):*** Students with special educational needs may require additional support and accommodations to attend school regularly.
- ***Engagement and Motivation:*** Lack of engagement with school activities and a perceived lack of relevance in the curriculum can lead to disinterest in attending. Children who are not motivated may avoid attending school.
- ***Academic Challenges:*** Students facing academic difficulties or feeling overwhelmed by coursework may avoid school. They may fear falling behind or failing in their studies.
- ***Cultural and Language Barriers:*** Children from diverse backgrounds may face challenges related to language barriers or cultural differences. These challenges can affect their attendance and engagement with school.

- **Peer Pressure and Social Factors:** Influence from peers can impact attendance. Children may avoid attending school to align with the behaviour of their peers or to engage in social activities outside of school.
- **Parental Involvement:** Parental support and involvement in a child's education can positively influence attendance. Lack of parental engagement may lead to increased absenteeism.

Supporting Attendance at Killisick Junior School

To address any identified attendance issues effectively, Killisick Junior School will implement a range of strategies such as early intervention, support for vulnerable families, intervention programmes, and creating a positive and inclusive school environment. Understanding the specific factors affecting attendance for individual children and families is crucial for developing any targeted interventions and support systems to improve attendance outcomes.

Attendance and Punctuality Expectations at Killisick Junior School

We expect that all parents/carers:

- Create the environment where children can attend school every day.
- Ensure children arrive at school on time, before the bell rings at 8:40am.
- Make routine appointments outside of school hours.
- Report any unavoidable absence at the first opportunity on Day 1.
- Continue to update school regarding their child's unavoidable absence.

We expect that all children:

- Attend school every day.
- Arrive on time, before the bell rings at 8:40am.
- Are in school for the full day (2 sessions).

Strategies for Using Data to Target Attendance Improvement Efforts at Killisick Junior School

Killisick Junior School's Inclusion Team meet on a weekly basis. During this Child Watch meeting, attendance data is scrutinised in order to proactively address any actual or potential attendance concerns. This includes reviewing data concerned with:

- The whole school cohort and year groups.
- Individual pupils.
- Demographic groups, e.g., pupils from different ethnic groups or economic backgrounds.
- Other groups of pupils, e.g., pupils with SEND, LAC, and pupils eligible for FSM.
- Pupils who have an allocated social worker or are known to social care.
- A pupil who is absent for prolonged periods, or repeated occasions, which may indicate a safeguarding concern, such as CSE or CRE, particularly county lines.
- Pupils at risk of PA.
- Pupils at risk of SA.

Strategy for Reducing Persistent and Severe Absence at Killisick Junior School

Identify Pupils at Risk:

Closely monitor attendance data to quickly identify pupils who are persistently (missing 10% or more) or severely (missing 50% or more) absent from school. Maintain a register of these high-risk pupils.

Conduct Root Cause Analysis:

For each persistently or severely absent pupil, work closely with the pupil, their family, and relevant support services to understand the underlying reasons for their absence. This may include issues such as mental health, family circumstances, or difficulties with the school environment.

Implement Tailored Support Plans:

Develop individualised support plans for each high-risk pupil, addressing the specific barriers to their attendance. This could include:

- Regular meetings with the pupil and family to review progress
- Apply the ATTEND Framework
- Referrals to external agencies for additional support (e.g. social services, mental health services)
- Adjustments to the school environment or curriculum to better meet the pupil's needs
- Incentives and rewards to encourage improved attendance
- Strengthen Partnerships: Work closely with the local authority, social services, and other relevant agencies to coordinate a multi-agency approach to supporting persistently and severely absent pupils and their families. Ensure clear communication and joint ownership of attendance improvement goals.

What happens if attendance does not improve?

Penalty Notices:

Under the new national framework, all schools in Nottinghamshire will be required to consider a fine when a child has missed 10 or more sessions (5 days) for unauthorised reasons.

Penalty notices are most appropriate in circumstances where a family have taken an unauthorised leave of absence or where absence is an emerging concern (approximately 80-90% and absences unauthorised).

Attendance Contract:

An attendance contract is a formal agreement between parents and the school or local authority to address irregular attendance, providing support as an alternative to prosecution. It is not legally binding but serves as a formal route to secure engagement with support when voluntary early help plans have not worked. An attendance contract aims to offer support rather than punishment.

Education Supervision Order:

If voluntary support or attendance contracts are unsuccessful, an Education Supervision Order (ESO) can provide formal legal intervention without prosecution. Before proceeding with an ESO, the school and local authority should exhaust voluntary support options and ensure the order would benefit the pupil and parent. Persistent non-compliance with an ESO can lead to prosecution in the Magistrates Court by the local authority. Upon conviction, parents may face fines of up to £1,000.

Local authorities have the power to prosecute parents for various offences related to attendance:

- Failure to comply with a school attendance order may result in fines of up to £1,000. Failure to secure regular attendance at school or alternative provision may lead to fines of up to £2,500 and/or imprisonment.
- Persistent non-compliance with an Education Supervision Order may result in fines of up to £1,000.

Removal from roll

This refers to the process of a child's name being officially taken off the school's register, typically due to extended non-attendance or other circumstances. Elective Home Education (EHE) is an option that some parents choose after removal from roll, where they take responsibility for providing education to their child at home.

Elective Home Education

If you wish to Electively Educate your child, you must put this in writing stating:

- The reasons why you wish to opt for Elective Home Education
- The date from which you wish your child's name to be removed from the school roll.

This request is then sent to the Local Authority who will respond in due course.

Until such a time as confirmation is received, the child's name will remain on the school roll and they will continue to be subject to the usual school attendance and safeguarding procedures.

Day-to-Day Processes for Managing Attendance at Killisick Junior School

Registration

- The bell is rung at 8.40am each morning for pupils to make their way to class.
- School starts at 8.45am when registers are taken.
- All class registers must be completed by 8.55am, children will be marked as late with the L code if they arrive after the register is completed.
- Registers will be closed at 9:15am. Children will be marked as late with the U code if they arrive after the registers close.
- Afternoon registers are taken at 1.00pm.
- A full day counts as 2 attendance sessions.

When a child is absent

Day 1

We have a rigorous and robust system in place for first day absences of our pupils:

Parents/carers must inform the school by 8:45am if their child is going to be absent through one of the following methods:

- Phoning the school office and leaving a message on 0115 953 5585
- Sending a text message to 07537 455 344 or by using the teachers2parents app.
- Emailing the school office on office@killisick.notts.sch.uk

Once the register is closed at 9am, the office staff will identify any children who we have no reason for their absence and a first text message will be sent to parents/carers to remind them they need to contact the school office. Where it is known that a pupil walks to school on their own/without an adult, a phone call will be made immediately to parents/carers.

1st Text Message

“Your child has been recorded as absent today. Please ring us on 9535585 or reply to this text giving a reason for this absence. Thanks.”

If no contact is made by 10am as a result of the first text message, school will make a phone call to the parent/carer of the pupil. If contact cannot be made to the parent/carer, school will call all available contacts of the pupil.

If no contact can be made through calling the parent/carer and all other available contacts, a second text message will be sent out to inform parents/carers that if contact is not made by 1:15pm, this will trigger a safe and well home visit.

2nd Text Message

“We have tried unsuccessfully to contact you regarding your child’s absence. If we do not hear from you before 1:15pm, we will conduct a safe & well home visit.”

If contact has still not been made by 1:15pm, the office will inform all DSL’s and SLT, and a home visit will be conducted.

If no contact can be made from a home visit:

- A home visit letter will be left at the house requesting contact by end of the school day.
- If the child has a social worker, they will be informed that the child has not been in school today and that they have not been seen when a home visit was carried out.
- If contact is not made by the end of the day, Social Care will be contacted for advice and to request a safe and wellbeing check. The police will also be contacted if required. Professional advice to be followed.
- School will do all it can to contact the pupil each day and continue to follow professional advice. On day 10 of no contact, school will contact Children Missing Education.

Known Pupil Absence – Day 4 Procedure

- Where there has been contact with the parent/carer, but a child has been absent for 4 days, a home visit will be undertaken on the 4th day to check on the wellbeing of the child and to see whether there is anything school needs to be aware of.
- If the child is not seen, the HT/SLT will undertake a risk assessment to decide on level of concern.
- School will contact social services or police for advice and to request a safe and wellbeing check. Professional advice to be followed.

Children Missing Education

- In order to safeguard children who may be at risk of missing education it remains important for all staff in school to take swift action.
- This will include the need to liaise with the relevant colleagues in safeguarding/education within Nottinghamshire County Council for pupils who are to be removed from the admission register and include circumstances where the pupil:
 - Has been taken out of school by their parents and the school has received written notification from the parent they are being educated outside the school system e.g. home education this will be communicated with the home elective education team.
 - Does not arrive at the school as part of an admission process and we are not aware of their whereabouts.
 - Has ceased to attend school and no longer lives within reasonable distance of the school at which they are registered and has been discussed with the Children Missing Officer (CMO) as they have not been registered at a new school.

Definitions

In the context of school attendance and education in the UK, the terms "Persistent Absence," "Risk of Persistent Absence," and "Severe Absence" are used to describe different levels of irregular attendance by students. These terms are important for tracking and addressing attendance issues.

Persistent Absence (PA):

Definition: Persistent Absence is a term used to describe a level of student absence from school that is considered to be a significant cause for concern.

Threshold: In England, a student is considered to be persistently absent when they have an attendance rate of 90% or below. This means they have missed 10% or more of their school sessions.

Risk of Persistent Absence:

Definition: The term "Risk of Persistent Absence" refers to a situation in which a student's attendance is at a level that suggests they are at risk of becoming persistently absent.

Threshold: While there is no specific threshold for "Risk of Persistent Absence," it is typically used to describe students whose attendance is consistently low and becoming a concern, as the school communicates to parents in days, we identify 10 days or more as Risk of PA and we will follow internal school procedures.

Severe Absence (or Severe Persistent Absence):

Definition: The term "Severe Absence" or "Severe Persistent Absence" is used to describe the most serious cases of non-attendance.

Threshold: Particular focus and support will be provided to pupils who are absent from school more than they are present (those missing 50% or more of school). These severely absent pupils may find it more difficult to be in school or face bigger barriers to their regular attendance and as such are likely to need more intensive support across a range of external agency partners.

Absence Definitions

- Arrival at school after the register has closed.
- Not attending school for any reason.

Authorised Absence

- An absence for sickness for which the school has granted leave.
- Medical or dental appointments which unavoidably fall during school time, for which the school has granted leave.
- Religious or cultural observances for which the school has granted leave
- An absence due to an unavoidable family emergency

Unauthorised Absence

- Parents keeping children off school unnecessarily or without reason.
- Truancy before or during the school day.
- Absences which have never been properly explained..
- Arrival at school after the register has closed.
- Absence due to shopping, looking after other children or birthdays.
- Absence due to day trips and holidays in term-time which have not been agreed.
- Leaving school for no reason during the day.

Policies and Practice

This attendance policy operates within the framework of statutory attendance regulations outlined in the Education (Pupil Registration) (England) Regulations 2006 and subsequent amendments. Killisick Junior School adheres to the following key attendance acts in the UK:

Education Act 1996: The Education Act 1996 is the primary piece of legislation that sets out the legal framework for school attendance in England and Wales. It outlines the responsibilities of parents, carers, and schools in ensuring regular school attendance. Sections 444-447 of the Act deal with offenses related to non-attendance and penalties for parents and carers.

Education (Pupil Registration) Regulations 2006: These regulations specify the procedures for registering pupils and maintaining attendance records in schools in England. They also define the circumstances in which a pupil can be marked as absent or present.

Education (Pupil Registration) (England) (Amendment) Regulations 2013: These regulations amended the 2006 regulations and introduced stricter rules on authorizing term-time holidays. Under these regulations, headteachers are only allowed to grant leave of absence in exceptional circumstances.

School Attendance Code of Practice: The School Attendance Code of Practice provides guidance to schools, local authorities, and parents on the law and procedures relating to school attendance and absence. It sets out the principles for promoting good attendance and dealing with poor attendance.

Local Authority School Attendance Guidance: Each local authority in the UK may provide its own guidance and policies on school attendance. Schools should be aware of and follow the specific guidance issued by their local authority.

Department for Education (DFE) Guidance: The DFE periodically issues guidance documents and updates related to school attendance. Schools should stay informed about the latest DFE guidance 2024 and follow any recommendations or requirements outlined in these documents.

Child Employment Legislation: Legislation such as the Children and Young Persons Act 1933 and the Children (Performances) Regulations 1968 govern the employment and attendance of children involved in performances, modelling, and other activities outside of regular school hours.

Children Missing Education (CME) Statutory Guidance: This guidance outlines the responsibilities of local authorities in identifying and tracking children who may be missing education, including those who are not on a school roll or are not receiving suitable education.

Section 19 of the Education Act 1996 (England and Wales) outlines the duty of local authorities in ensuring that suitable education is provided for children of compulsory school age.

Roles and Responsibilities

Teachers: In the United Kingdom, teachers play a vital role in monitoring and promoting school attendance. Ensuring regular and punctual attendance is essential for the academic success and well-being of children.

- **Monitoring Attendance:** Teachers are responsible for monitoring the daily attendance of their children. They should maintain accurate attendance records, noting both present and absent students
- **Promoting Punctuality:** Teachers should encourage students to arrive at school on time each day. Punctuality is essential for a smooth start to the school day and minimises disruptions in the classroom.
- **Taking Immediate Action:** When a child is absent without prior notification or a valid reason, teachers should take immediate action. This may involve contacting the school's attendance officer or designated staff member to report the absence.
- **Early Intervention:** Teachers should identify patterns of poor attendance or lateness and intervene early to address any underlying issues. This may include communicating with the student, their parents or guardians, and relevant support services.
- **Maintaining Communication:** Teachers should maintain open lines of communication with parents or guardians regarding attendance. They should inform parents of any concerns about a child's attendance or punctuality.
- **Providing Support:** Teachers can provide academic and emotional support to children who may be experiencing attendance challenges. Identifying the root causes and addressing them proactively can help improve attendance.
- **Setting Expectations:** Teachers can set clear expectations for attendance and punctuality in their classrooms. This includes communicating the importance of regular attendance for learning and academic progress.
- **Creating a Welcoming Classroom Environment:** Teachers should strive to create a positive and welcoming classroom environment where students feel motivated and engaged. A supportive atmosphere can encourage attendance.

- **Supporting Positive Behaviour:** Teachers can implement strategies to reinforce positive behaviour related to attendance, such as recognising attendance and punctuality.
- **Safeguarding:** Teachers should be aware of safeguarding protocols and report any concerns related to a child's safety or well-being promptly to the appropriate school staff.

KILLISICK JUNIOR SCHOOL

Every school day matters.

Penalty Notice fines for school attendance are changing.

With the introduction of the new National Framework for Penalty Notices, the following changes come into force for Penalty Notice Fines issued after 19th August 2024.

PER PARENT, PER CHILD.

Penalty Notice Fines will now be issued to each parent, for each child that was absent.

For example: 3 siblings absent for term time leave would result in each parent receiving 3 separate fines.

5 consecutive days of term time leave

Penalty Notice Fines will be issued for Term Time Leave of **5 or more consecutive days**. **INSET days** are school days and **can be included** in the 5 or more consecutive days where there was intent to be absent for term time leave.

10 sessions of unauthorised absence in a 10-week period

Penalty Notice Fines will be considered when there are 10 sessions of unauthorised absence in a 10-week period. A school day is made up of 2 sessions - morning and afternoon.

First Offence

The first time a Penalty Notice is issued for Term Time Leave or irregular attendance, the amount will be:

£160 per parent, per child paid within 28 days. Reduced to £80 per parent, per child if paid within 21 days.

Second Offence (within 3 years)

The second time a Penalty Notice is issued for Term Time Leave or irregular attendance, the amount will be:

£160 per parent, per child paid within 28 days.

Third Offence & any other offences (within 3 years)

The third time an offence is committed for Term Time Leave or irregular attendance, a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court. Fines can be up to £2500 per parent, per child.

Cases found guilty in Magistrates' Court can show on a parent's future DBS certificate due to 'failure to safeguard a child's education'.

Dear Mr XXX & Ms XXX

PENALTY NOTICE WARNING
Child X (DOB XX/XX/XXXX)

I note your application to take out of education for days to go on holiday. Schools are only allowed to agree a leave of absence during term time in exceptional circumstances.

I have considered your application and do not feel it meets the exceptional circumstances criteria and therefore your request has been declined. Should you decide to remove your child from school on the dates indicated in your application then their absence will be marked in the register as unauthorised.

An unauthorised leave of absence of 5 days/10 sessions (over a 10-week rolling period) for the purpose of a family holiday can lead to you being issued with a penalty notice fine of up to £160 for each child who is absent. The fines can be issued to both parents for each child.

In some circumstances the local authority may decide a prosecution via Magistrates court is more suitable, for instance lengthy or repeated leave of absence periods. This would include circumstances where a parent/carer has already had two fines for (child's name) over a 3-year rolling period.

If you do remove from school for the period stated in your application I will request that the local authority issues a penalty notice.

Yours sincerely

Headteacher

School Attendance Notice to Improve (Please read this letter carefully)

Dear XXX

School attendance is hugely important. For your child to gain the full benefit from their education, for their learning, wellbeing, and wider development, they need to attend on time, every day possible.

If a child of compulsory school age who is a registered pupil at a school fails to attend regularly at the school or fails to attend regularly the child's parent may be guilty of an offence under s.444 Education Act 1996. If your child is a registered pupil at an alternative provision in the circumstances set out in section 444ZA of the Education Act 1996, the child's parent may be guilty of an offence.

You, «**FORENAME**» «**SURNAME**» are a parent/carer of «Students_Name», (called in this notice "the pupil") who is a registered pupil at «School_Name».

The school have offered support to you and your family to try and help improve «Students_Name's» attendance, including (delete as appropriate):

1. Telephone calls. The school contacted you every day your child was absent to understand why your child was absent and to offer their support with any issues your child may be having.
2. An Attendance Overview Letter. The school wrote to you, letting you know about «Students_Name's» attendance, the impact of their continued absence, and inviting you to contact the school to discuss the situation further.
3. An Attendance Support Meeting Invite. The school invited you to a meeting to discuss your child's unauthorised absences and to offer support to ensure that their attendance improved. You were notified of the consequences should your child continue to have unauthorised absence and you did not effectively engage with the support offered.
4. Reasonable Adjustments. The school offered your child temporary changes to their normal timetable to support improved attendance,
5. Improving Attendance Contract. The school agreed a contract with you to improve your child's attendance. This included actions that both the school and you as a parent committed to.
6. Referrals to external agencies: The school referred your child to external agencies so they could access additional support.

Unfortunately, despite the support that was offered to your family, attendance remains a cause for concern. Between «**WARNING_START_DATE**» and «**WARNING_END_DATE**» the pupil failed to attend regularly at «School_Name», which resulted in 10 sessions (half days) or more of unauthorised absences being recorded. Please see the attached registration certificate for details.

You now have twenty school days (4 weeks) in which to improve your child's attendance. During this time your child must show significant improvements in attendance and avoid having any unauthorised absences from school during this period. Should we not see sufficient improvement and further unauthorised absences take place during this period, a Penalty Notice may be issued / a referral may be made to the Local Authority requesting they issue you with a Penalty Notice. A penalty notice is charged at £160 if paid within 28 days. There is usually the opportunity to pay a reduced amount of £80 if paid within 21 days if this is the first offence.

NB – A Penalty Notice may be issued as soon as an unauthorised absence is recorded.

More information regarding this notice can be found in the attached leaflet. If you wish to discuss this notice, or discuss what further support is available, please contact our team as soon as possible:
