MESSAGE FROM MRS CARPENTER

What a wonderful first week back! We are incredibly proud to be part of such a fantastic school, filled with wonderful children and dedicated staff. This term, our whole-school character focus is Respect and Kindness, and this week we have been exploring empathy. It has been lovely to see children thoughtfully reflecting on how their behaviour affects others and taking ownership of their actions.

Our learning enquiries have continued seamlessly from last half term, allowing everyone to dive straight back into learning. Many classes have been writing this week, and it has been a real joy to see children coming to share their work with such pride and enthusiasm. Pride was also a key theme in our character assembly on Friday—not only celebrating how proud staff are of the children, but more importantly encouraging children to feel proud of themselves and their achievements.

This half term is an important one for our Year 6 pupils as they prepare for their upcoming SATs. Their positive attitude and strong focus have been fantastic, and we know they will try their very best, which is all we can ever ask.

We are really looking forward to a fabulous Term 3. As always, please do come and see us if you have any worries questions—we are here to help and support.

Having a clear out?

We are currently looking to add some finishing touches to our classrooms to create a calm, welcoming, and engaging environment for our pupils. If you have any items you would be willing to donate, we would be very grateful. In particular, we are looking for:

- * Artificial plants (not flowers) or suitable real plants
- * Small plant pots
- * Kallax-style storage units
- * Cushions or bean bags (plain colours, in good condition)
- * Puzzles and games (complete and in good condition)

Additionally, we are considering subtle additions such as soft lighting (e.g. fairy lights) to help create a cosy and calming atmosphere
